3rd Annual Millennium Woman Golf Tournament Raises money for single moms

Port Orange, Florida – Sunday, April 22, 2007 proved a beautiful day in Daytona, for local golfers and some lucky single moms. The Millennium Woman Makeover Team in association with the Millennium Woman Foundation, Port Orange Tavern and Grill and Cypress Head Golf Course celebrated a successful day of friendly competition and philanthropy as 84 golfers including European Touring Pro Delroy Cambridge turned out to play in the tournament. Proceeds from the tournament will go to provide scholarships for Volusia County single parent mothers in tuition form. Jon Hall Chevrolet & East Coast Insurance provided a beautiful Acadia for any lucky golfer to score a hole-in-one however, no one was able to make that shot. At a 19th Hole Post Award party hosted by Stonewood Grill & Tavern in Port Orange, the winning teams were awarded prizes for best team effort, closest to the pin, longest drive and more.

Cherise and Gary Wintz co-tournament directors are grateful that the community is recognizing the most challenged of the Millennium Woman community, the single mom. "If we can provide for women to empower themselves through education, their children will be affected and society as a whole – affecting change through the generations", Wintz says. The Millennium Woman Foundation is a non-profit 501C3 that provides a resource of educational grants and scholarships to single parent moms who have elected to advance their education despite challenging family and budget responsibilities.
